

# WAM Scholarship - Guidelines & Application Form

The purpose of **The Women & Mathematics Network (WAM)** is to stimulate interest in mathematics among all students. It is a program to motivate and inspire students, especially young women, towards careers in mathematics, science, and technology. By sharing experiences from their careers and lives, **WAM** volunteers create excitement for learning, and open new doors for growth and direction. **WAM** makes a difference for students!

#### Eligibility

Applicants must meet the following criteria:

Currently participate in the WAM Mentoring Program 2018
Apply to a STEM Summer Program/Camp for Summer 2018
Have at least a B average in current math courses
Intend to enroll in Math, Science, and/or Computer courses in the next school year

### Selection & Awards

The WAM Scholarship Committee will select recipients. The recipients are notified in person or by mail in May (unless your camp imposes an earlier deadline for payment). Scholarship checks will go directly to the program that student will attend. The WAM Scholarship Committee will determine the number and amount of awards to be given.

# WAM Scholarship Information Session

WAM will host an information session for parents and students to answer questions and help with the application process. **When: Wed Mar 14, 6-8pm Where: NCCU Campus** (Mary M. Townes Science Complex Room 1111). Additional details will be provided closer to the date.

## The Application Package

To be considered, applicants <u>must complete and submit the application and attach the required essay</u> written on a separate sheet. These guidelines and application form is also available at: <a href="http://womenandmathmentoring.org/scholarship.php">http://womenandmathmentoring.org/scholarship.php</a>. A sampling of summer programs recommended by WAM is available at the above-mentioned site.
